

## Mayo Clinic Gastroenterology and Hepatology Board Review

Stephen C Hauser, Darrell S Pardi, John J Poterucha, all of Mayo Clinic, Rochester, MN, USA  
Mayo Clinic Scientific Press

### Gastroenterology

- Emphasizes clinical knowledge related to diagnostic and therapeutic approaches to patient management
- Provides case-based questions and annotated answers simulating the board exam
- Contains 100 color and 100 black and white illustrations
- Draws on contributions from authors from one institution providing consistency of style and less overlap of information

### Table of Contents

#### Esophagus

Gastroesophageal Reflux Disease, J.A. Murray

Barrett's Esophagus, Y. Romero

Esophageal Cancer, K.K. Wang

Normal Esophageal Motility and Disordered Esophageal Motor Function, J.L. Conklin

#### Stomach

Peptic Ulcer Disease, T.F. Mangan

Gastritis, T.F. Mangan

Gastric Neoplasms, M.V. Larson

Gastrointestinal Motility Disorders, M. Camilleri

Nonvariceal Upper Gastrointestinal Tract Bleeding, J.A. Alexander

#### Small Bowel and Nutrition

Malabsorption, J.A. Schaffner

Small Bowel Disease and Bacterial Overgrowth, J.A. Schaffner

Nutritional Disorders, V. Nehra

Parenteral and Enteral Nutrition, D.G. Kelly

#### Miscellaneous Disorders

Gastrointestinal Manifestations of Human Immunodeficiency Virus Infection, S.C. Hauser

Gastrointestinal Infections, D.S. Pardi

Gastrointestinal Endocrine Tumors, T.R. Viggiano

Vascular Disorders of the Gastrointestinal Tract, S.C. Hauser

Gastrointestinal Manifestations of Systemic Disease, S.C. Hauser

Endoscopic Ultrasonography, M.J. Wiersema and M.J. Levy

Colon Inflammatory Bowel Disease: Clinical Aspects, W.J. Tremaine

Inflammatory Bowel Disease: Therapy, W.J. Sandborn

Inflammatory Bowel Disease: Extraintestinal Manifestations and Cancer, E.V. Loftus, Jr.

Microscopic Colitis, D.S. Pardi

Clostridium difficile-Associated Disease, D.S. Pardi

Colorectal Neoplasms, P.J. Limburg

Irritable Bowel Syndrome, G.R. Locke, III

Constipation, A.E. Bharucha

Disorders of Pelvic Floor Function, A.E. Bharucha

Lower Gastrointestinal Tract Bleeding, J.C. Kolars

#### Pancreas and Biliary Tree

Acute Pancreatitis, T.H. Baron, Sr.

Chronic Pancreatitis, S.T. Chari

Pancreatic Neoplasms, J.E. Clain

Gallstones, B.T. Petersen

#### Liver I

Evaluation of the Patient With Abnormal Liver Tests, J.J. Poterucha

Differential Diagnosis of Acute Hepatitis and Management of Fulminant Hepatic Failure, P.C. de Groen

Chronic Viral Hepatitis, J.J. Poterucha

Liver Mass Lesions, G.J. Gores

Alcoholic Liver Disease, V.H. Shah

Vascular Diseases of the Liver, P.S. Kamath

Portal Hypertension-Related Bleeding, P.S. Kamath

#### Liver II

Ascites, Hepatorenal Syndrome, and Encephalopathy, J.E. Hay

Metabolic Liver Disease, D.J. Brandhagen and J.B. Gross, Jr.

Cholestatic Liver Disease: Primary Biliary Cirrhosis, Primary Sclerosing Cholangitis, and Drug-Induced

Cholestasis, K.D. Lindor  
Autoimmune Hepatitis, A.J. Czaja  
Nonalcoholic Steatohepatitis, J.A. Talwalkar  
Liver Disease and Pregnancy, J.E. Hay  
Liver Manifestations of Human Immunodeficiency Virus Infection, J.E. Hay  
Liver Transplantation, M.R. Charlton
